

**UNIVERSITY OF
SASKATCHEWAN
BRIDGE TEAM**

Our Objective

We are a student group that competes annually against other universities from across Canada in designing, fabricating, and assembling a 1:10 scale Steel Bridge.

Our Mission Statement

The USBT "Bridges" the gap between the educational and practical. We encourage hands-on work to help our team members develop new and unique skills.

Whatever your area of study is, we would be glad to welcome your talents!

GROUP MEETINGS EVERY OTHER MONDAY AT 5:30
